Me & Pompkin in the
Snowstorm

Storm Story Personal Narrative

By Elaina Antooz

We and my dog Pumpkin in the Snowstorm

"Mom, when are we going to get Pumpkin?" "Well sweetie it doesn't look like we are going to be the last day ever! My first pet that isn't a fish.

We'll have to get him tomorrow mom said." "OK", Elaina said So the next day the whole Antooz family all got up and dressed quickly, well of course I was making

sure I got that dog! The only problem was there was 3 feet of snow outside! How are we supposed to drive in that weather? Well we did, but it took a while,

because we had to drive all the way to Penn State + in 3 feet of snow! So we did, and finally, we got out of the car and up to the door. Ding Ding!

Hello! Miss Peggy said as she opened the door. Miss Peggy is a very nice

lady, she is the Shih Tzu breeder. We got greeted by Pumpkin and his brother Frankie and a giant snoodle named Needle. Max Pumpkins daddy, Molly, a Bee'zton 'Freeze', and

the little Noel Pumpkins step sister. Pumpkins Mom, Micha was in

another room barking furiously. Pumpkin has a real sister named

Boo but she was downstairs. I thought they were so cute! So we

picked up Pumpkins things and went home. When we were driving home

Pumpkin was shaking rapidly. We ran outside to play in the snow, he got

a snowboard that was white & fluffy. We played & chased each other the whole day.

And that is the story of Ned Pumpkin in the snowstorm
